MESSAGE FROM THE PRESIDENT SIR

Shri. Amrishbhai R. Patel

The Technical Higher Education is transforming itself to keep abreast to the relevant changing times. Therefore, the focus, apart from ensuring employability, is to prepare our students into holistic professionals. Our Institution believes in the wholesome growth of its students and gives them every opportunity and facility to explore their talent. SVKM's Institute of Technology, Dhule is aware that Industry-oriented education will ensure better employment opportunities to young engineering graduates.

I am happy that our institute has responded positively to current trends in job market to enable the individual for industry ready through the process of learning, unlearning and re-learning. Further, this will foster the meta-cognitive abilities and much needed hard and soft skills. My Hearty Congratulations to all the students who are successfully placed in various companies.

I wish our students all the best for coming placement season.

MESSAGE FROM THE PRINCIPAL SIR

Dr. Nilesh Salunke

I am honoured and delighted to introduce you SVKM's Institute of Technology, Dhule. The Institute was established in the year 2017 at Dhule.

Our institution has State-of-the-art infrastructural facilities, laboratories with sophisticated instruments, highly learned and experienced faculties and enthusiastic students as our strength. Apart from curriculum, our institute invests efforts in soft skills, aptitude and technical training of the students to make them industry ready in every aspect.

Our efforts are recognized by Government and various industries. We confidently invite you to provide the greatest human resources with comparable expertise and competitive abilities to be an asset to your prestigious organisation.

We are glad that our students are well-prepared for success in their chosen fields, thanks to the best educational and training facilities available. We foster our pupils in an environment that promotes rigour, teamwork, and excellence. We provide the greatest technical education and practical experience to our students.

I wish all students a prosperous career and extend a warm welcome to all prospective recruiters for campus placement.
